

## Social and Corporate Group Touring Yarra Valley – Zonzo Lunch Suggested Itinerary

- 9:30am**                    **Depart Melbourne CBD for Yarra Valley**  
Approx one hour's trip in our touring vehicle from the CBD
- Domaine Chandon**    French Champagne company Moët & Chandon's Australian production house Domaine Chandon is the perfect way to start the day with a guided tour through the winery that shows how the wine is made followed by a relaxing glass of Australia's best bubbly with tasty light nibbles and a view that will leave you in awe. Spectacular, to say the least.
- Zonzo Restaurant**    With an emphasis is on providing casalinga style original Italian food and an environment that cultivates social interaction for all ages. Embracing a traditional Italian method of sharing, the food is placed on a long table allowing for all too casually indulge and savour a variety of dishes.
- Yering Farm**            The cellar door which is a converted old hay shed is situated at the top of the hill, overlooking stunning views. This charming rustic cellar door, oozing with character is a fantastic environment to enjoy superb wines made with traditional winemaking techniques. This cellar door proudly showcases antique cooper tools used by pioneer winemakers over a century ago.
- Kellybrook**             An abundance of real style and personality. Kellybrook, is a lovely oasis in the old Yarra Valley orchard belt. Founded in 1962 and making both still and sparkling wines from apples grown in the orchard. Today the vines vastly outnumber the apple trees with Kellybrook being granted the Yarra Valley's first vigneron's license, in 1970. It's one of the few small wineries in the Yarra Valley still owned by the original family. With its distinctive character and 'hands-on' approach, Kellybrook has much to offer the visitor.
- 3:30pm**                    **Leave Yarra Valley back to Melbourne**
- 4:30pm-5:00pm**        **Arrive Melbourne**  
*\*Please Note: Wineries and order of itinerary may vary due to Availability*
